

D O C K

At the dock, you can ride an aqua bus or look at the beautiful view. This is a perfect place to sit down and eat lunch.

The Public Market

Here at the public market, you can buy many fruits, dessert, lunch, drinks, etc.

Small Neighbourhood

There's also a small neighbourhood of houses on the water. Just imagine how it would be to wake up and look outside the window to see the water.

The Park

There's also a small park with a beautiful pond. This is also a nice place to sit down and eat. Nearby there's a playground with a cool and unique bouncy floor similar to a trampoline.

Artworks

Come see the many beautiful artworks!
